

<http://www.MercersDairy.com>

Mercer's Dairy, an institution in the foothills of the Adirondack Mountains in NY, distributed their ice cream in about a 60 mile radius around Utica, NY for the past 55 years. That all changed when Roxiana Hurlburt, VP of Marketing at the dairy had an "Aha" moment.

[Click here to watch a video](#) where Roxy tells her story and you get a chance to see all that goes into creating Mercer's Wine Ice Cream. You'll even meet the Holstein cows that happily produce the milk that go into this ingenious dessert.

All the Flavors contain up to 5% alcohol by volume and can only be sold to those 21 and older!
